

## **ETA® Certification Transcript Service**

West Virginia State Community and Technical College (WVSCTC) has partnered with ETA® and now offers college credit for several ETA International technical certifications. In order to document course completion for college credit, ETA® now provides a Certification Transcript service to assist technicians in documenting their ETA® professional certifications.

A student-requested, raised seal transcript is currently available to all ETA® certificants for a processing fee of \$10. Technicians looking to enhance their resumés by including a transcript of their certifications may do so by sending their request, along with payment, to:

Electronics Technicians Association  
5 Depot Street  
Greencastle IN 46135

For phone, fax or email requests (requires payment by credit card), please contact ETA at:

Ph: 800-288-3824  
Fax: 765-653-4287  
Email: [eta@eta-i.org](mailto:eta@eta-i.org) or [jay@eta-i.org](mailto:jay@eta-i.org)

When requesting a copy of your transcript to be sent to another organization, please include their complete address and contact information with your order. If you have questions, please feel free to contact us at 800-288-3824.
