

Keynote Speaker

Scott Bachrach is the Senior Vice President of Mobile Training and Education. He serves on the ETA Board of Directors as Chairman and Secretary of the National Coalition for Electronics Education. Prior to this position, he was the Director of Information Technology for Unitex Textile Rental Services for 11 years where he researched, designed, implemented, and supported a variety of electronics.

First Annual Electronics Technology Summit at ITT Technical Institute, February 12, 2010. The campus is located in the Journal Center, off of Jefferson and Masthead, east of Wells Fargo Bank, and across from the New Mexico Bar Association. We look forward to seeing you there!
