

CUSTOMER SERVICE SPECIALIST

Offered by: **ETA INTERNATIONAL**

Don't just say you work well with people - let ETA International's Customer Service Specialist (CSS) certification prove it! ETA's world-class CSS certification professionally acknowledges your ability to uphold the interpersonal and business standards necessary in today's workplace.

VALIDATE YOUR SKILLS

The CSS is a certification that validates one's interpersonal and business skills. Though developed to meet the role of an evolving service oriented electronics technician, CSS is relevant to every industry, employer and employee. Topics covered include: safety, ethics, respect, teamwork, communication, telephone and email techniques, problem solving, interpersonal relations, and sales and marketing.

STUDY GUIDE

Purchase the CSS study guide (4th edition) through ETA. The study guide covers all of the information necessary to pass the CSS exam, including practice questions. *Price: \$25.00 (members)/ \$30.00 (non-members) + S/H (Bulk Pricing Also Available)*

CSS+ BUNDLE

Ideal for educators and individuals alike. Along with the Fourth Edition CSS Examination Study Guide, you also receive a CD with Activity sheets for each chapter of the CSS study guide, a comprehensive PowerPoint presentation, and a short presentation that reviews the general concepts presented in the study guide. *Price: \$40.00 (members)/\$45.00 (non-members) + S/H*
