

NEW

ETA Certified Technicians

The following is a list of Technicians who have earned new certifications between April 1, 2010 and May 31, 2010 under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

NEW

ETA Certified Technicians

cont.

The following is a list of Technicians who have earned new certifications between April 1, 2010 and May 31, 2010 under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

NEW

ETA Certified Technicians

cont.

The following is a list of Technicians who have earned new certifications between April 1, 2010 and May 31, 2010 under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

NEW

ETA Certified Technicians

cont.

The following is a list of Technicians who have earned new certifications between April 1, 2010 and May 31, 2010 under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

NEW ETA Certified Technicians

The following is a list of Technicians who have earned new certifications between April 1, 2010 and May 31, 2010 under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.
