ETA Certified Technicians

The following is a list of Technicians who have earned certifications between **December 1, 2009** and **January 31, 2010** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

ETA Certified Technicians

cont.

The following is a list of Technicians who have earned certifications between **December 1, 2009** and **January 31, 2010** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

NEW

ETA Certified Technicians

cont.

The following is a list of Technicians who have earned certifications between **December 1, 2009** and **January 31, 2010** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

ETA Certified Technicians

cont.

The following is a list of Technicians who have earned certifications between **December 1, 2009** and **January 31, 2010** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.
