

# NEW

# ETA Certified Technicians

The following is a list of Technicians who have earned new certifications between **December 1, 2010** and **January 31, 2011** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

# NEW

# ETA Certified Technicians

cont.

The following is a list of Technicians who have earned new certifications between **December 1, 2010** and **January 31, 2011** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

# NEW

# ETA Certified Technicians

cont.

The following is a list of Technicians who have earned new certifications between **December 1, 2010** and **January 31, 2011** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

## Fiber Optics Technician-Outside Plant (FOT-OSP)

## Fiber Optics Technician (FOT)

# NEW

# ETA Certified Technicians

cont.

The following is a list of Technicians who have earned new certifications between **December 1, 2010** and **January 31, 2011** under one or more of ETA International's fifty certification programs. Names of these highly qualified Technicians have been permanently recorded in the ETA Global Database and have earned ETA's formal endorsement and approval.

CERT. #	NAME	SCHOOL	PROCTOR	CITY
FOT118511	Arturo Almaguer	Aviation & Electronic School of America	Richard N. Mikesell	Oceanside CA
