March 9, 2007, for immediate release

ELECTION RESULTS: ETA'S 2007 OFFICERS

Elected to lead the 4,500 member electronics technicians association, now in its 29th year, are the following:

Chairman: William Woodward, an electronics engineer and certified fiber optics technician from Virginia Beach, VA. Mr. Woodward served as Vice Chairman in 2004 and was selected ETA's Technician of the Year in 2002. He is employed by Ursa Navigational Systems in Chesapeake, VA, and teaches at ECPI, College of Technology. Bill also chairs an ad hoc committee on aerospace fiber optics with the Society of Automotive Engineers.

Vice Chairman: Bill Sutton, Senior Certified Electronics Technician, an electronics department head and instructor at ITT Technical Institute in Albuquerque, NM. Mr. Sutton has served as an ETA officer in the past, as well as in other committee chairman posts. Bill was also the 2006 recipient of ETA's highest award the annual "Educator of the Year".

Treasurer: Sandra Herinckx, FOI, a telecommunications and electronics instructor at Texas State Technical College in Waco, Texas is again serving on the ETA Board of Directors. Sandy has been active for several years with ETA and also serves as a Subject Matter Expert on the Fiber Optics Exam Advisory Boards. Sandy also works as a Skills USA advisor at TSTC.

Secretary: Glen Wolfe, CETsr from Bloomingdale, IL is an active Biomedical Equipment Service Technician and the immediate past chairman for ETA. He is a past recipient of the ETA Technician of the Year award and the youngest inductee ever to enter the Electronics Hall of Fame. He is active in both the Illinois and Indiana Biomedical Societies and teaches an online Biomed class for Indiana University.
