ETA[®] INTERNATIONAL

PRESS RELEASE

ETA International Offers FCC License Testing at Hamvention

ETA International will proctor all FCC Commercial Radio License exams at the 2015 Dayton Hamvention, one of the largest and premiere Amateur Radio shows and flea markets. The show will be May 15 to 17 in Dayton, Ohio where thousands of 'hams' from across North America and around the world will converge.

Greencastle, March 31, 2015: As one of only 13 FCC Commercial Operator License Examination Managers (COLEMs) in the nation, [ETA International](http://www.eta-i.org) will have test proctors available during all three days of 2015 Dayton [Hamvention](#). Commercial FCC license exams are lifetime exams.

ETA offers a [price discount](#) when two or more FCC Element exams are taken at the same time. One element is \$50 but two taken together is still only \$50 and three taken together is just \$70. The Montgomery GI Bill covers FCC exams for reimbursement for qualified military personnel.

Schedule exams in advance and pre-pay by calling Lora Roberson at ETA at 800-288-3824 or at lroberson@eta-i.org. Visit ETA at the Hamvention booth **#BA0429** to schedule an exam on site. ETA certification and FCC license exams will be administered from 9 a.m. to 5 p.m. both Friday and Saturday and 9 am to noon on Sunday.

[FCC Licenses](#) include: Marine Radio Operator Permit (MP) - Element 1, General Radiotelephone Operator License (PG) - Elements 1 & 3, Global Maritime Distress and Safety System Operator (DO) - Elements 1 & 7, Global Maritime Distress and Safety System - Restricted (RG) - Elements 1 & 7, Global Maritime Distress and Safety System Maintainer (DM) - Elements 1, 3 & 9, Radiotelegraph Operator (T) and Ship Radar Endorsement - Element 8.

ETA International has been a COLEM since the FCC privatized license exam administration in 1993. ETA International has issued over 150,000 technical certifications in more than 80 programs in numerous technical fields. The benefits of licensure and certification credentials help a technical individual validate their knowledge and advance in their chosen career.

ETA International offers a' Communications Technology Technician (CTT) certificate to FCC Commercial License holders of the GROL, GMDSS Maintainer, and the Telegraphy licenses. A CTT wall certificate from ETA proclaims a Communications Electronics Technician certification has been earned. No exam is required. Simply send ETA a copy of your valid FCC license and a \$50 (US) fee. (Canadian Radio Communications Operator Licenses are also valid for the CTT).

The CTT certificate is laminated and includes the gold ETA corporate seal. It also contains the registration CTT number ETA has assigned, as well as the FCC or DOC license number. Orders may be submitted by calling ETA at 800-288-3824, by mail at 5 Depot St., Greencastle, IN 46135 or through ETA's online store at www.eta-i.org

About Electronics Technicians Association (ETA) International:

Since 1978, ETA has issued over 150,000 professional certifications. Widely recognized and frequently used in worker job selection, hiring processes, pay increases and advancements, ETA certifications are often required as companies bid on contracts. ETA certifications are accredited through the International Certification Accreditation Council (ICAC) and align with the ISO-17024 standard. ETA's certifications are personal and travel with the individual, regardless of employment or status change and measure competencies of persons, not products or vendors. www.eta-i.org
