ETA[®] INTERNATIONAL

PRESS RELEASE

ETA Invites Electronics and Wireless Professionals to Speak

ETA International's Annual Education Forum, co-locating with Penton's International Wireless Communications Expo, has opportunities for people passionate about wireless communications and the electronics industry to be guest speakers in Las Vegas.

Greencastle, July 28, 2015: Electronics Technicians Association®, International (ETA) invites electronics and communications professionals to submit a proposal for session presentation at Education Forum 2016 (EF16).

Co-locating with Penton's International Wireless Communications Expo (IWCE) at the Las Vegas Convention Center March 21-25, 2016, the EF16@IWCE conference program hosts industry training together with related ETA certification. In addition to offering training courses at IWCE, ETA will host short courses as part of IWCE's robust conference program.

Industry gurus with timely and relevant ideas wanting to share future-thinking insights, research, trends and educational topics that are driving the communications technology industry are encouraged to submit. Speak to a diverse group of over 7,000 attentive industry professionals, including government/military; public safety (law enforcement, fire service, emergency medical & 911); utility; transportation and business enterprise.

The EF16@IWCE audience topics of interest include: Communications – including: B-VoIP, Satellite, RADAR, DAS, Telecommunications, Wireless Communications, Passive Intermodulation Testing; Federal Communications Commission – including: Commercial Radio, Marine Radio, Radiotelegraph, Global Maritime Distress, & Ship Distress; Fiber Optics and Data Cabling; Basic Electronics; Workforce Development and Business Management.

To review the guidelines and submit your proposal(s), [click here](#). The deadline to submit is September 30, 2015. Please contact Michele Altman at ETA for more information.

About ETA - Since 1978, ETA has issued over 150,000 professional certifications. Widely recognized and frequently used in worker job selection, hiring processes, pay increases, and advancements, ETA certifications are often required as companies bid on contracts. ETA's certifications are personal and travel with the individual, regardless of employment or status change and measure competencies of persons, not products or vendors. All ETA certifications are accredited through the International Certification Accreditation Council (ICAC) and align with the ISO-17024 standard. www.eta-i.org

About International Wireless Communications Expo (IWCE) - Since 1977, the International Wireless Communications Expo (IWCE) has been the authoritative annual event for communications technology professionals. IWCE features over 370 exhibitors showcasing the latest products and trends in the industry. Over 7,000 individuals attend from a diverse group of industry professionals including government/military, public safety, utility, transportation and business enterprise. IWCE 2016 will be held March 21-25, 2016 at the Las Vegas Convention Center in Las Vegas, NV. For more information, visit www.iwceexpo.com.

About Penton - Penton drives performance for more than eighteen million professionals each and every day. They rely on us to deliver: Insights, information, data & workflow tools to inform critical business decisions; networking & community to engage them with industry peers & partners; marketing services to advance their business performance & deliver ROI.
